

The Future of human resources: taking a new road less traveled

Wednesday, May 1st | 1:00pm CDT

In a world where innovation is the most valuable currency and engagement is fundamental to future success, it is time for ‘people practices’ to become more consistent with what we know about why people make commitments— and why they don’t make commitments. In this session, Gary Heil, founder, The Center for Innovative Leadership, author, and internationally recognized expert on service and leadership, will discuss:

- How HR professionals can more effectively measure and manage culture.
- How to develop Performance Management Processes that are more effective and more equitable.
- And more.

Attendees may receive one SHRM & HRCI credit for attending LIVE.

Sun Life Financial is recognized by SHRM to offer Professional Development Credits (PDC) for SHRM-CP® or SHRM-SCP® recertification activities.

Date: Wednesday, 5/1/24

Time: 1:00 pm CDT
